My dear Sir

We are under

obligations for your offer of 17[¢] to return
boxes the empty cases. It has taken
a few days to get the rates on same.
I find it will pay us to have to returned
I have written Mr. Wharton about
the matter today. He will no doubt
arrange the matter soon.

We hope to increase the daily out-
put of one cent coin blanks within
a day or two to 2000 or 2500 lbs. We
can ship nickel blanks at any time
& this will not interfere with sending
the one cent blanks.

Yours
